FOREST ACRES BASKIN ROBBINS ANNOUNCES 31 CENT SCOOP NIGHT

America's Favorite Ice Cream Store Supports Firefighters

Come join BASKIN ROBBINS FOREST ACRES (4711 Forest Dr.) for the fourth annual "31 Cent Scoop Night" Wednesday, April 28, 2010 from 5 pm - 10 pm as we support our local and national heroes.

Purchase a 2.5 oz. scoop of ice cream for 31 cents (limit 3 scoops per person) and help Baskin Robbins celebrate its \$100,000 donation to the National Fallen Firefighters Foundation from which our local firefighters can benefit.

Please consider donating directly to our local firefighters on this night, as well.

Chief Aubrey Jenkins will join other firefighters from the Columbia Fire Department to serve ice cream. Chief Gene Sealy of Forest Acres Police, Richland County Sheriff Leon Lott, Chief Tandy Carter, Columbia Police Dept. and others will assist as additional "celebrity scoopers."

All activities are free and include law enforcement and firefighter demonstrations, face painting, contests for prizes in basketball and soccer, karate demonstrations, obstacle course, dunk'n booth, poster contest with tickets and tour of Columbia Children's Theatre and local merchant's giving out coupons. One lucky child will win a 'day at the fire station'.
